

Information for Parents of New Students in Mr. Plotts' Class

Hello, I'm Dennis Plotts and I will be your student's math teacher this year. Over the year, you'll have questions about your student's progress, both academically and behaviorally. Here are the channels of communication I offer.

- I have a website: www.PlottsMath.com. It is designed as a digital homeroom so students and parents can access materials beyond the school day. I suggest bookmarking it so that you can refer to during the school year.
- My phone number is 916 813 2249. Please leave a message, as I often do not answer my phone. I will return your phone call within 24 hours. I do not respond to or write texts.
- My e-mail is denplotts@mac.com. I prefer this email because my school email will often block parents as "spam" and I will not get your message. I will respond within 24 hours.
- Please log into Infinite Campus as soon as possible so you may begin monitoring your student's academic progress.

(Keep this page as reference. See next page for information I need.)

Your Information and Signatures

I need your contact information. Occasionally the school's database is not current so I'm asking for the latest information so that I can contact you if I need to. Please fill out the following and have your student return it to me by **9/5/17**

Student Name: _____ Period: _____

Name	Relationship to Student	Phone Contact	E-mail

By signing below, this means you have done the following:

- Logged into Infinite Campus
- Checked out www.PlottsMath.com
- Reviewed the material sent home with your student

Parent/Guardian Name: _____

Parent/Guardian Signature: _____

Date: _____

If you have any questions or comments, please contact me ASAP so we can work together to make this a successful year for your student!
