Subject:

Topic:

Title of Lesson:

Lesson Duration:

Lesson Objective: *This is where you write what you want your audience to learn. The more specific the better.*

Summary of Lesson:

- Prerequisite Skills: *These are the skills your students will need to review entering the lesson.*
- Instruction:
 - “I do.” *You demonstrate the skill that you wish to teach the student. You may use multiple examples if you feel that is necessary.*
 - “We do.” *You present a problem to the student and give the student time to work on the problem by pausing the video. Then you reveal the solution in detail.*
 - Recap. *Reiterate the objective and give follow-up problems for practice.*

Materials:

- Technology: *You must use one element of technology in your lesson. For example - a calculator, a relevant video, computer program, etc.*
- Take Home Task: *You must assign the student at LEAST 3 practice problems and provide the answers. These should be included as a separate document – not part of the video.*

References: *If you borrowed something, give credit to the author.*
